

## CANDEIAS WILL PLAY FOR KOCAELISPOR

20 JUL 2023

Daniel Candeias switched clubs in Türkiye. After having represented Alanyaspor in the last two seasons, the winger signed for Kocaelispor, the current champions of the Turkish III League and who, therefore, will play in the second division next season.

Candeias signed for one season and, at the age of 35, gives a new direction to his career, in what will be the third Turkish club he represents, since he also wore the Gençlerbirliği jersey between 2019 and 2021.

Last season, Candeias participated in 29 games, scored one goal and provided four assists.
