

## JOÃO BRANDÃO SECURES FC PORTO B'S SURVIVAL IN LIGA 2

4 MAY 2026

João Brandão mathematically confirmed FC Porto B's survival in Liga 2, with two rounds remaining.

The Dragons won against Felgueiras 1-0, reaching 45 points, climbing to 7th place and securing their safety from any end-of-season surprises.

With two rounds still to go, João Brandão guarantees their stay in the top division, repeating the feat of last season, now in a much more tranquil season.

FC Porto B can still climb a few more places in the table, and that is the goal for the final rounds.
