

BRUNO BRÍGIDO CLOSES THE GOAL AT ESTRELA

12 FEB 2024

Clean sheet for Bruno Brígido.

The Estrela da Amadora goalkeeper was doubly satisfied at the end of the 3-0 victory over Portimonense: in addition to the three points gained, important in the fight to escape relegation, he managed to prevent the team from conceding any goals, which happened for the first time this season in the 14 times it has been used.

Bruno Brígido is in his second season with Estrela Amadora and has been one of the team's key players both last season, with the promotion to the League, and now among the greats, even though an injury robbed him of part of the season.

This is, therefore, the perfect motto for a high-level final stretch.
