

CASTRO MOVES TO MOREIRENSE

17 JAN 2024

André Castro left SC Braga and signed for Moreirense until 2025.

The 35-year-old midfielder ended a three-and-a-half-year connection with SC Braga and thus takes a new direction in his career, in the team that is being the sensation of the 2023/24 League.

This season, Castro made 7 appearances for SC Braga and scored one goal. But it wasn't just any goal: it was Castro who scored SC Braga's historic victory in Berlin, against Union, in a Champions League game, in a duel that proved decisive in the fight for 3rd place in the group that gives access to the Europa League.

Moreirense is the fourth Portuguese club in Castro's career, after FC Porto, Olhanense and SC Braga. In Turkey he also represented Kasimpasa and Goztepe and spent a season and a half in Spain, at Sp. Gijón.
