

DANRLEI GIVES LEIXÕES ONE POINT

10 FEB 2024

A goal from Danrlei earned Leixões SC a draw at SL Benfica B (1-1).

The central defender was a starter, like Paulinho, and scored the goal that closed the score in the 83rd minute. João Amorim was among the options, but did not leave the bench.

This point allows Leixões to reach 18 in the II League, remaining in the play-off position, but it certainly gives renewed enthusiasm for the next challenges, starting with the reception to Paços de Ferreira, in the next round.

For Danrlei, 29 years old, this was his first goal with a Leixões shirt.
