JEFFERSON ENCADA STARTS FOR GUINEA-BISSAU

12 NOV 2026

Jefferson Encada was in the starting lineup for Guinea-Bissau in their draw against Madagascar.

In the first of two matches between the two nations—part of the qualifiers for the upcoming Africa Cup of Nations (AFCON) and held on Madagascan soil—the game ended in a 1–1 stalemate.

Encada started the match and helped secure a point; although Guinea-Bissau fell behind, they managed to earn a result that keeps them at the top of Group L with 7 points. Nigeria currently has 3 points, though they have a game in hand, as they are yet to face Tanzania—who sit at the bottom of the group.
