

LUCÃO LOANED TO AL-SHAHANYA

12 SEP 2026

Lucão will play for Qatar's Al-Shahanya this season.

The forward, who shone for Al-Markhiya in the Qatari second division last season, was signed by Al-Sadd—the current leaders of the top flight—and has now been loaned to Al-Shahanya, another club in the local elite.

At 26, this marks another chapter for the prolific forward, who scored 25 goals last season and has been playing in Qatar since 2023.

Al-Shahanya currently sits in 9th place in the Stars League—Qatar's premier competition—with 4 points from 4 matches.
