

PEDRO SÁ WILL STAY IN PENAFIEL

11 JUN 2026

Pedro Sá will remain with FC Penafiel for another season in Liga Portugal 2.

This renewal represents an important sign of stability for the club's squad, which will continue to rely on one of the most experienced players in the dressing room for the upcoming campaign. Pedro Sá joined Penafiel in the summer of 2025 and quickly established himself as an important figure in the team's midfield.

At 32 years of age, the Póvoa de Varzim-born midfielder has enjoyed a long career in Portuguese professional football, most notably through several seasons with Portimonense in the Primeira Liga. After spells in Tunisia and the Czech Republic, he returned to Portugal to join Penafiel, making 18 official appearances during the 2025/26 season.
